

## **Summary of 24 September 2008 additional TPR Board meeting**

### **Employer Compliance Regime (ECR)**

This meeting was arranged to continue discussions, after the Board meeting on 11 September 2008, on the draft outline business case for ECR.

The ECR material would form part of the single outline business case for the Enabling Retirement Savings programme. It was expected that DWP's Permanent Secretary would receive a briefing and the draft plan by the end of the week. The draft aimed to clearly show TPR's estimates of what compliance rates could be achieved for given costs.

The Board commissioned the ECR team to undertake a number of actions and approved the outline business case, subject to minor revisions discussed.
