## What to do if all the scheme funders are participating employers

If all your scheme funders are participating employers, please complete and submit the following form providing information about each scheme funder.

As stated in our **draft Code of Practice no: 15, Authorisation and supervision of master trusts**, trustees may ask us to give greater consideration to the strength of particular scheme funders where there is more than one.

Where that is the case, please indicate by answering 'Yes' in the third column of the form below and providing an appropriately detailed explanation in the business plan.

### Please note

This form is interactive. Please save the PDF to your computer, fill in your response to the questions as appropriate and submit it via the online master trust portal at [exchange.thepensionsregulator.gov.uk](https://exchange.thepensionsregulator.gov.uk). If you have more than ten scheme funders, please submit multiple forms on the portal. You are also advised to keep a copy of the completed form for your records.
