

## Pensions choice in the workplace – 2007

Example information poster, telling staff about the employer's designated stakeholder scheme. A downloadable pdf for you to use will be available on our website soon.

# What you need to know about your workplace stakeholder pension

The Government introduced stakeholder pensions to encourage more people to save for their retirement. *(Name of employer)* has set up a stakeholder pension scheme that eligible staff can join.

Our stakeholder pension scheme provider is:  
*(Stakeholder Pension Scheme name taken from the register)*

Address:  
*(Scheme address taken from the register)*

Telephone:  
*(Scheme telephone number from the register)*

If you want more information about making contributions to the company's designated scheme, please contact:

*(Name of person to contact)*

*(Their phone number/address/email)*
