Appendix B - Assessing a worker – Transcript

This is a transcript of the flowchart intended as supporting material for Detailed guidance no. 3 – Assessing the workforce.

Please note:
* Prior to 1 April 2015 an employer would have needed to distinguish between a non-eligible jobholder and entitled worker in this group as there were separate information requirements for each. Since 1 April 2015 there is no longer this requirement but an employer who staged before 1 April 2015 can continue to make this distinction as they can choose to continue giving information about only the right of a jobholder to opt in or of an entitled worker to join. More information can be found in Detailed guidance no. 10 – Information to workers.

** This amount is for the 2020-2021 tax year. These figures are reviewed annually by the Department for Work and Pensions (DWP).
