	<p>DETERMINATION NOTICE under section 96(2)(d) of the Pensions Act 2004 (“the Act”)</p> <p>Prudential Corporate Pensions Trustee Limited (“the Trustee”)</p>	<p>The Pensions Regulator case ref:</p> <p>TM7662</p>
---	--	--

1. The Determinations Panel, on behalf of the Pensions Regulator, met on 26 April 2010 to decide whether to exercise a reserved regulatory function in relation to the issues in the Warning Notice dated 2 March 2010. The Pensions Regulator considered under section 10(2) of the Pensions Act 2004 that the exercise of a reserved regulatory function was appropriate.

2. **Matter to be determined:**

The function the Panel was asked to exercise was the application made by the Regulator for an order to be issued under section 11(1)(c) of the Pensions Act 1995 to wind up a large number of occupational pension schemes listed at **Appendix 3**.

3. **Parties**

The Warning Notice specified the following parties as being directly affected by the regulatory action outlined in the Warning Notice:

(a) Prudential Corporate Pensions Trustee Limited (“the Trustee”).

4. **Background**

(a) On 9 January 2008, the Regulator received an application from the Trustee which asked, in respect of 108 Schemes listed in Appendix 3 that the Regulator:

- appoint it as trustee for the sole purpose of winding up the Schemes; and
- make an order under Section 11 of the 1995 Act to trigger the wind-up of the Schemes.

(b) On 3 June 2008, the Regulator appointed the Trustee as trustee to the schemes listed Appendix 3.

(c) The Schemes are all earmarked, fully insured defined contribution schemes and are paid up. There was no trustee to represent the interests of the members of the Schemes, due to the sponsoring employer of each of the schemes being dissolved, deceased or untraceable. No provision exists in the rules of the Schemes to facilitate their wind up.

(d) The Trustee confirmed that the wind up of the Schemes can be completed without detriment to the members.

5. **Decision**

The Panel granted the application for an order to be issued under Section 11(1)(c) of the Pensions Act 1995. The Panel determined that an order be issued in the following terms:

The Pensions Regulator hereby orders that:

- i. That the Schemes (listed at Appendix 3) should commence wind up proceedings with effect from 27 April 2010 subject to the provisions of Section 96(5)(a) of the Pensions Act 2004.
- ii. This order is made because the Pensions Regulator is satisfied that it is necessary in order to protect the interests of the generality of the members of the Scheme that it would be wound up pursuant to Section 11(1)(c) of the Pensions Act 1995.
- iii. In accordance with Section 11 (4) of the Pensions Act 1995, the Pensions Regulator directs that the Scheme be wound up subject to the following provisions:
 - the scheme be wound up in accordance with the provisions of sections 73 – 75 of the Pensions Act 1995 (as modified by the Occupational Pension Schemes (Winding Up) Regulations 1996) and any relevant provisions of those regulations, or such other statutory provisions and regulations as may be in force from time to time may be applicable to winding up the Scheme.

6. **Submissions of the parties**

In making the determination the Panel took into account the evidence and submissions from the Regulator and the Trustee included in the Warning Notice.

7. **Statutory issues**

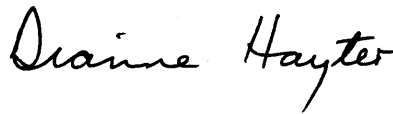

In making their decision the Panel had regard to the objectives of the Regulator as set out in section 5 of the Pensions Act 2004 and to the matters mentioned in Section 100, as set out in **Appendix 1**.

8. **Reasons for decision**

The reasons given by the Panel for its decision were:

- (a) The Panel found that, in order to protect the generality of the interest of the Schemes' members, the Schemes should be wound up. This would be undertaken by the Trustee at no cost to the Schemes and would save the Schemes' annual management charges.
- (b) The Schemes' rules did not provide the provision for wind up and therefore wind up could not be achieved through any other means.
- (c) The Panel agreed that wind up of the Schemes should commence as soon as the 28 day time limit for appeal had expired in order to prevent further depletion of the scheme assets.

9. **Appendix 2** to this Determination Notice contains important information about the rights of appeal of the parties against this decision.

Chairman: Dianne Hayter
