General questions about the new code of practice

Updates

We welcome any observations about a possible regular process for issuing updates to the new code. For example, should updates be annual, or at longer intervals? Please advise us of any concerns about regular updates. We would also be interested to hear about any topics that we should prioritise for inclusion in the new code.

Guidance

Which pieces of guidance, or topic areas, should be prioritised for updates following the introduction of the new code?

Governing bodies

Do users understand the term “governing body”?
Would another term work better?

Public Sector Equality Duty (PSED)

We would be interested to understand if there are any aspects of our expectations users think would discriminate against, disadvantage or present an additional or exceptional challenge to anyone with a protected characteristic.
